

## **Invitation to Tender**

### **CCTV Mesh Network System**

The Bermuda Police Service (BPS) is inviting tenders from established vendors for the implementation, maintenance and monitoring of a mesh network system of CCTV (Closed Circuit Television) cameras and DVR for coverage across the island. The CCTV system should allow the BPS to monitor and record identified crimes and illegal activities.

Full details and Tender Documents may be obtained from the IMS Department, Bermuda Police Service, 10 Headquarters Hill, Prospect, Devonshire DV02 during regular business hours.
